RE: Quonset Hut PSP RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the Project Specific Plan (PSP) for the soil staged in Quonset Hut No. 1.

U.S. DOE has adequately addressed U.S. EPA's previous comments on the PSP. Therefore U.S. EPA approves the RTC for the Quonset Hut No. 1 PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
